- Prevent problems *before* they happen!
- Basics *include* sit, down, loose leash walks, attention, chewing, nipping, jumping up, housebreaking tips, handling (your vet/groomer will thank you!), safety issues and most importantly, imprinting a solid recall to create a pup that ALWAYS comes when called
- Supervised socializing (prevent potential problems later)
- Obstacles (fun and builds confidence!)
- Entire family welcome to attend and work with pups
- Add Beginner Puppy & get \$20 merchandise certificate.

BEGINNER (BEGINNER PUP TO 6 MO/ "ADULT" 6 MO +)

- Have a dog who responds to basic commands reliably!
- Focus on real life issues fro reliability—train don't restrain!
- Ideal for first timers of any age or as a refresher at any stage of training (can you do the class off leash?)
- *Includes* loose leash walking, heeling stay, extra-recall exercises (coming), manners ("leave it", "off" and "quiet"), attention, handling and basic care.
- Be a good leader, without physical force!
- Children welcome to attend & encouraged to work with dog at home, but class is designed for adults (handlers take turns)
- 6 foot leash required
- Have the best of both worlds, happy and obedient!
